COMMENTS: As a Non-Traditional Transfer Student at Cal Poly, I have been thoroughly impressed with Prof. Mealy's CPE 233 course. Prof. Mealy is a professor that has the rare gift of inspiring and challenging students to learn, speaking for myself as well as a good majority of the class. This course has been an invaluable foundation in the fundamentals of computer architecture and has reaffirmed why I have chosen...

4. Evaluate the instructor on his/her ability to convey subject matter

5. Evaluate the instructor on his/her availability and effectiveness during scheduled office hours (if unknown, leave blank)

6. Overall, I would rate this instructor

COMMENTS: Solid instructor. Always available to help you out during his office hours, very encouraging and a solid presenter of information. Would definitely take again. He puts students on a path to succeed and helps them even when they fall behind. Also provided us with all the resources we needed for the course.

COURSE EVALUATION: Please comment about the textbook(s) you used, both required and recommended, their appropriateness, content, level, etc., or about the equipment used in a laboratory course.
